THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

The Organizing Committee (OC) in accordance with the FEI reserves the right to invite approximately 140 horses in each category of age, entered only by their NF; the underneath mentioned approximate quota of 112, divided over the mentioned countries plus 30% additional wildcards from the Organizing Committee (except the competitions for the Sires of the World).

Quota as defined by the WBFSH.

Wildcard

- a. The OC will only accept entries for wildcards made by the concerning NF's invited by the OC.
- b. NF's of countries not included in the above mentioned quotas, can apply to the OC for a wildcard.
- c. Horses that wish to be eligible to receive a wildcard must be registered at a studbook which is member of the WBFSH.
- d. Wildcards can be provided to horses which for instance qualified themselves but have not been selected as their native country is not the same as their country of residence.
The OC, in accordance with the FEI , has the right to adjust the number of quotas in case too many qualified horses apply for a wildcard. This might be the case when in the country they have qualified themselves, the NF does not want to take them in their quota. This is to keep the number of horses from one breeding area in proportion .
- e. NF's who have been given a quota, cannot apply for wildcards for horses that are registered in the national studbooks of the nation of that NF.
- f. **All applications for wildcards have to be motivated by the NF's and must be accompanied with show results. These results have to be faxed or send by email to the organizer.**
- g. The OC will not provide wildcards to horses that have participated at young horses competitions without success.
- h. After the closing date for the definite entries all NF's will be advised about the provided wildcards.
- i. **The OC, in consultation with the FEI , will decide upon wildcards; no further appeal is possible.**
- j. Wildcards are only provided to specific selected horses. Once these horses are selected, they cannot be substituted by a NF. Only the OC can allow substitutions .

Annex I FEI Entry System

The FEI Entry System will be deployed gradually starting 1st January 2013, involving in the beginning some pilot NFs. The concerned NFs have already been contacted by the FEI IT Department. The full deployment of the FEI Entry System is expected by July 2013.

The calendar of selected events for the gradual launch of the FEI Entry System can be found on our website :

http://www.fei.org/sites/default/files/file/ITNews/List_of_Events_for_Gradual_Launch.pdf

The FEI Entry System for FEI Events will be mandatory starting in 2013 for all FEI events.

FEI Entry system is a key process in sport that involves all event stakeholders: National federations, Organising committees and the FEI

This new service for the national federations and the OCs improves exchange, communication between the OC and the invited federations and gives a better quality and traceability of the data.

All information regarding the FEI Entry System like tutorials videos, FAQ and other useful links and documents can be find on our website by following this link:
