III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

VI. INVITATIONS

1. GENERAL

All horses must be registered in a studbook, which is a member of the WBFSH.

Only the studbook in which the horse in question is first registered is acceptable for participation at the Championship. The quota for each country is for horses registered in a studbook which is originally recognized in that country.

Countries, which are not mentioned, because there is no WBFSH Member Association, can apply for a wildcard.

The Organizing Committee (OC) in accordance with the FEI reserves the right to invite approximately 140 horses in each category of age, entered only by their NF; the underneath mentioned approximate quota of 114, divided over the mentioned countries plus 30% additional wildcards from the Organizing Committee (except the competitions for the Sires of the World).

Quota as defined by the WBFSH per age group.

Argentina	: 2	Italy	: 4
Austria	: 2	Latvia	: 2
Australia	: 2	Luxembourg	: 2
Belgium	: 6	Mexico	: 2
Brazil	: 2	Netherlands	: 9
Bulgaria	: 2	Norway	: 2
Canada	: 2	Poland	: 2
Croatia	: 2	Portugal	: 2
Czech Republic	: 2	Scotland	: 2
Denmark	: 4	Slovakia	: 2
Estonia	: 2	Slovenia	: 2
Finland	: 2	South Africa	: 2
France	: 12	Spain	: 2
Germany	: 12	Sweden	: 6
Great Britain	: 4	Switzerland	: 4
Hungary	: 2	USA	: 4
Ireland	: 5		

Riders must be 16 years or older in the year 2018.

Wildcards

- a. The OC will only accept entries for wildcards made by the concerning NF's invited by the OC.
- b. NF's of countries not included in the above mentioned quotas, can apply to the OC for a wildcard.
- c. Horses that wish to be eligible to receive a wildcard must be registered at a studbook which is member of the WBFSH.
- d. Wildcards can be provided to horses which for instance qualified themselves but have not been selected as their native country is not the same as their country of residence.
The OC, in accordance with the FEI, has the right to adjust the number of quotas in case too many qualified horses apply for a wildcard. This might be the case when in the country they have qualified themselves, the NF does not want to take them in their quota. This is to keep the number of horses from one breeding area in proportion .

- e. NF's who have been given a quota, cannot apply for wildcards for horses that are registered in the national studbooks of the nation of that NF.
- f. **All applications for wildcards have to be motivated by the NF's and must be accompanied with show results. These results have to be faxed or send by email to the organizer.**
- g. The OC will not provide wildcards to horses that have participated at young horses competitions without success.
- h. After the closing date for the definite entries all NF's will be advised about the provided wildcards.
- i. **The OC, in consultation with the FEI, will decide upon wildcards; no further appeal is possible.**
- j. Wildcards are only provided to specific selected horses. Once these horses are selected, they cannot be substituted by a NF. Only the OC can allow substitutions.

Although the FEI encourages the NFs to cooperate with the WBFSH Breeding organization(s) originally recognized in their country, the selection procedure and entries remain the responsibility of the NF.

Athletes are invited by the Organiser through their National Federation.

One (1) groom per athlete.

Each rider may enter a maximum of 6 horses in the entire Championships (CH-M-Y H) and maximum 3 horses in every category/competition.

As an exception to the General Regulations of the FEI, the National Federations can enter riders of another nationality, providing the National Federation of the rider's nationality does not object.

Horses born in the southern hemisphere are regarded to change age on the 1 July, that means f.e. that horses born prior to the 1 August 2011 shall belong to the year of birth 2011, and horses born on 1 August 2011 or later shall belong to the year of birth 2012.

"FEI Zangersheide Sires of the World" (CSI*)

Each rider may enter a maximum of 3 stallions. The rider has to provide the OC by fax, by post or scanned document per email with a copy of the official certificate from the breeding organization that the stallion is approved.

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

1.1. ATHLETES, OWNERS AND SUPPORT PERSONNEL

1.1.1. Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

1.1.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may

occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

1.1.3. Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. Members of the Press are advised not to leave any equipment or personal items unattended.

1.2. ATHLETES AND OWNERS

1.2.1. Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

1.2.2. Additional Liability Information

Space for organiser to include reference to National Laws when necessary

1.2.3. Horse Insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event.

Space for organiser to include reference to National Laws when necessary

2. PROTESTS/APPEALS

To be valid, all Protests and Appeals must be made in writing and accompanied by a deposit of CHF 150.- or equivalent.

Protest and appeal forms are available on the FEI website:

Protests: <http://inside.fei.org/sites/default/files/FEI%20Protest%20Form.pdf>

Appeals: <http://inside.fei.org/sites/default/files/FEI%20Appeal%20Form.pdf>

3. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these

competitions.

4. STEWARDING

- If an athlete is uncertain as to whether the boots he/she intends to use during an event are allowed, he/she or his/her representative should show the boots to the Chief Steward for his/her opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and replace the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

5. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

6. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

7. ADDITIONAL INFORMATION FROM THE OC

<p>1. TRAINING AREAS WITH PRACTICE OBSTACLES Training areas are on the show grounds at the competitor's disposal. No riding is allowed outside the training areas. Schooling hours on the paddocks are allowed according to the</p>

training schedule. During the competitions only participants (horse-rider) of the concerning competition are allowed to use the training area.

2. START LISTS & RESULT SHEETS

The name of the breeder (if known) of each horse will be added to all start lists and result sheets, as well as its studbook initials, country of birth, sex and age.

3. BREEDERS BONUS

The OC provides a breeders bonus of 10% of the total prize money which will be distributed to the breeders of the placed horses.

4. ZANGERSHEIDE SUPER PREMIUM FOR BREEDERS

As from 1997 Studbook Zangersheide provides a Zangersheide Super Premium to the breeders of the winning horses in the finals of the FEI World Breeding Jumping Championships for Young Horses. This Super-Premium will be awarded to the breeders of the first three winning horses in the finals of the 5, 6 and 7 year old horses with a total prize money of Euro 10.000,- (5.000,-/ 3.000,-/ 2.000,-) per category. The Zangersheide Super Premium for Breeders will be paid directly to the breeders of the winning horse(s), if present, with identification, during the FEI World Breeding Jumping Championships for Young Horses 2018.

These prizes will be given only to the breeders in person during the ceremony, which will take place immediately after the prize giving ceremony of the final class. The breeders presence is therefore compulsory. The winning breeders which are not personally present during the Finals on Sunday 16 September 2018, are disentitled for this year's Zangersheide Super Premium for Breeders, even if they have authorized someone else to collect the premium on their behalf.

5. VIP-TABLES

The Organising Committee offers the possibility to rent a VIP-table for this event at the rate of € 5.000,- (exc. VAT) per table for 6 persons, including full catering service (09.00 to 18.00 hrs.)

Program remarks and reminders:

- * Each horse can start in max. one class a day.
- * The OC reserves the right to switch arena if the circumstances demands it.
- * Motors, quads etc. are not allowed on the showground
- * Dogs are only allowed if they are kept on the leash

updated 17 October 2011

In case of a tie for the 12th place in a competition with 12 to 48 starters, the prize money foreseen for the 12th place will be divided equally among the athletes concerned.

For Competitions run in two rounds with more than 12 starters in 2nd round:

OCs that indicate in the schedule that a specific number (that is more than 12) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

The O.C. is allowed to deduct all outstanding fees from the prize-money. All payments will be due to Belgian Law and Tax regulations, which means that from all prize money won by foreign (not Belgian) riders, 18% will be deducted.

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12th) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12th)
